This CD contains the Fall 2012 *SOC Degree Network System-2 and -4 Handbooks*, Student Agreement Templates and Instructions (associate and bachelor's), and the *SOC Degree Network System Credit Evaluation Supplement*.

The *Handbooks* contain information regarding SOCAD, SOCNAV, SOCMAR, and SOCCOAST college policies, points-of-contact, degrees, location offerings, and a listing of approved transferable courses within the SOC DNS Course Category Codes. Please discontinue using older versions of the *Handbooks* to ensure that the information used is current.

The *SOC Degree Network System Credit Evaluation Supplement* is a resource designed for use with the *Handbooks* and the *ACE Guide*. It contains tables that suggest appropriate mappings of non-traditional credit to SOC Degree Network System Course Categories.
